I don't know if I'll have a marriage by the end of the month. Is re | engage a good place for us?

- Absolutely! There are many couples that have attended, or are attending, who are separated or divorced. While the outcome is based on the work each individual is willing to do to save their marriage, the platform provides a safe place to focus on what a healthy marriage should look like and it provides some tools to help grow toward this goal.

My marriage is doing well. Can we benefit by attending re | engage?

- Whether your marriage needs to be reignited, or is in need of a complete resurrection, re | engage is a safe place for couples to reconnect.

We have only been married for 6 months. Can we still come?

- Absolutely! In fact, participating in re | engage at this stage in your marriage is a great idea! The program will provide a strong foundation for your marriage.

We are thinking about getting married (or are engaged). Is this ministry for us?

- We suggest you elect to focus on marriage preparation through a pre-marital class. If you would like more information on the pre-marital class at Lake Pointe, please contact our staff for more information.
